

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chiefs, D/GO, D/GC, D/GL

DATE: 1 October 1958

FROM : SA to Ch/G/RR

SUBJECT: National Science Foundation Translations

1. The National Science Foundation has acquired funds for the translation of selected documents in the languages of the Sino-Soviet Bloc and in Japanese. The funds are to be expended on documents for which there is an attested need and which have not yet been translated. It is intended to concentrate during the remainder of FY 1959 on those documents published in 1955 or earlier. Selected documents published in 1956 or later will be handled during FY 1960.

2. Please notify me by 1000, 3 October, whether your division wishes to propose documents for NSF translation. Include full bibliographic description and the possible location of a work copy.
